Guns of Icarus Alliance: PS4 Edition Short Description:

Guns of Icarus Alliance: PS4 Edition is a team-based steampunk airship-to-airship combat game that pits co-op crews against both rival human teams and AI hordes that scale to your skill level. Slip the surly bonds of earth and take to the skies as a bold Captain, fearless Gunner, or cunning Engineer. Rival factions are locked in a constant battle to take and retain territory and control vital resources, with every victory and defeat swaying the tides of the larger war.

Features

- The ultimate co-op experience—take your airship and crew, and pit them against a huge variety of AI-controlled challenges, including escort missions, convoy raids, base assaults, and more.
- Pit crew against crew —In addition to AI-controlled missions, airship crews can also battle one-on-one against other human-crewed opponents.
- Choose one of six elite factions, each vying for control of a world ravaged by machines. Every victory and defeat will sway the tides of the larger war.
- A vivid steampunk world—Lumbering, heavily-armored airships bristling with guns patrol the skies above a land ravaged beyond repair by an out-of-control industrial revolution.
- Full cross-platform support between the PlayStation 4, Windows PC, Mac, and Linux versions of the game, complete with cross-platform voice chat.
